“ As Charles youngest son i know without a doubt we never had step in our family pop raised Judy to be woman she is today and I hate she got put as step on list as she was a loving child as we all were so I know what's in his heart sis no step here you know without me or anyone what you meant to that man as did Charles and cynthia to mammy that's why i chose not to list step because we were all equal in dads eyes so from me to you I know you can move on because you know wat you were to dad but I really hope this was done in error by one that filled this out love always your baby bro Adam w underwood
