“ Sweetest, favorite teacher I ever had at CHS. I was in one of her last bible lit classes before it was taken out of high school curriculum. Loved by many. Much love and prayers to the family.

“ A wonderful person that made you feel special every time you talked to her. You knew most Sats she would be at trade day. She made the world a better place. Robert Richey

“ Mrs. Colvin was my favorite teacher and one of my favorite people in the whole world! I was her teacher's aide for three years and enjoyed it so much. She is the reason I love teaching and education so much, even though I always wanted to be a nurse. (I am a nurse educator with a doctorate in nursing practice and am also a certified nurse educator.). She had such a quick laugh and was always so pleasant to be around! She made me a heart-shaped rag rug for graduation. It is proudly displayed in my antique room. Every time I see it, I think of her and smile. It saddens me so to know she is gone from this world, but she will live on in my heart forever! Got bless you all in this time of sorrow. May it comfort you to know she touched so many lives in such a positive way. Evelyn Rusk Lightsey

“ Mrs. Colvin changed many lives while a teacher at Crossville. She was always kind and soft spoken. It was obvious that she cared about her students. She wanted them to grow and be better people. She encouraged that growth everyday that she taught. She was a role model for many of her students. When I think about how I want my students to view me as a teacher and person I think about Mrs. Colvin. She was and is my favorite teacher from school, even though English is not my favorite subject. She will be missed by many, because she was loved by many.

My cousin Donnie was one of the sweetest people I have ever know! I have so many wonderful memories of family reunions in Alabama which is the only times I saw her since I grew up in another state. So heart breaking and sad to know that she won't be with us at the next one. However I will never forget her sweetness and how much she cared about everyone.
