“ *Mrs. Ivarenne was such a wonderful lady. I only knew her for a short time... in one of the most difficult times in my life. I went to church with her and she and another lady sang a song for me that my Granny used to sing for me. I loved her so much for doing this for me. I hadn't heard it since my Granny died. Her voice was so similar to Granny's and it gave me extreme peace and so much joy. The song was " If that isn't love". I am so sorry to hear of her passing and even though I am late in finding this out I wanted to let you know how important she was to me. My deepest condolences for everyone that was touched by her great love. Please know her I will forever love her because she gave me such a special gift.*
