“ *Brandi and family,
My sister (Angela Carroll) sent me an email about your son. Even though I don't know you personally, I wanted to express my sincere condolences to you and your family.*

We know that God will comfort as no other can....I know that many people are praying for strength for your family. We will continue to lift you in prayers. Please know our thoughts are with you and your family in the coming days..

*Sincere thoughts and prayers,
Melissa Martin and family*
