“ *R.I.P., our dear friend, you will be missed by so many in the Beagle community. Your smiles and laughter will be never forgotten. God seen you were tired, and called you home to be by his side. You're now in no more pain, and with the family members that went before you, and running those hounds in fields so beautiful. We will see each other again, and I know you'll be holding your hand out, welcoming us home. We love you, Mr. Roger England...* ”

“ *I have learned that we do not have to be blood related to be family. Roger has been a wonderful grandparent to me & I am blessed to call him family. He will be missed but I know that he is in a much better place without suffering. I loved him & I know he loved me too, I know we will see each other again one day in heaven.*

“ *Roger... What to say. My heart hurts. He and I had a special relationship. Many wouldt not understand. That's okay because we did. I will miss the loud banging of the salt shaker on the table at work. Rest in Peace... Until we meet again.*
