

Sadie Roden Allen

May 23, 1927 - July 5, 2012

Sadie was a devoted Christian Woman who truly loved the Lord with everything in her. His love always radiated from her. She worshiped him daily without fail. Sadie was also devoted to her husband, Edward John Allen, whom she served pleasingly to the Lord for 61 years. Next to loving her Lord and her husband, Sadie's other love was her children, always putting them and others before herself. Anyone that entered her home was treated as family. No one ever left her home without feeling loved and being fed. Her grandchildren knew her for her love and Maw-Maw's biscuits and gravy.
